

## Privacy Permission Agreement

Our first priority is to protect your child's health and safety. Parents may share photos of their own children (only) at our school with others or on social media.

Parents may **not** share photos that show children other than their own (whether parents take the photo or receive them from the school) without other parents' permission. This applies to sharing photos with a person (e.g. Grandma) or on social media.

We never share photos without permission. Please check off each item to which you give your consent, and sign below (computer signature ok):
